The Greeks had a word for it. They called it the "Oracle of Delphi." We simply use "Delphi" to portray our illustrious past year, and a glimpse into the future of Jefferson High School. Your editors have attempted to borrow from the glory and wisdom of the Greeks to unify our book.

"We Build the Ladder By Which We Climb"

Graduation is the culmination of twelve years of hard work and fun. It is the time when vivid memories from past years return in droves as we recall experiences from different grades. In 1958, we timidly mounted that first step of our ladder by becoming "little" freshmen. Finally we were part of G.A.A., Y-Teens, and high school sports. Many of us plunged into the mysteries of Latin and algebra. The girls were properly humiliated in the G.A.A. Initiation and our great thrill came stepping "formally" to the Y-Teen Dance. Soon we grew into Sophomores and became more sure of ourselves in this grown-up high school world. That year we joined the choir, and in April we ordered our class-rings with an air of confidence and almost superiority. Before we knew it, we were juniors and our ladder was rapidly growing tall experience. We began to appreciate the privileges of upperclassmen. We had even published the Re-E play, "Twelve Angry Jurors" and our seniors with true southern hospitality. Senior Prom, "Southern Serenade"

We approached our senior year with mixed emotions; hope and joy mixed with doubt and a tinge of fear. We had almost reached the top of our high school ladder—soon we would have to say, "Good-bye, high school; Hello, life!" But, we had little time for such sobering thoughts. We were busier than ever before writing weekly themes, balancing bookkeeping sets, placing second in the Northwest Conference, publishing a yearbook, winning superior rating at state music contest, and producing our class play, "Cheaper by the Dozen." Then, May 17th, Senior Day, was upon us, and the realization that for the first time in our lives we shall soon be solely dependent upon our own resources.

Tonight we graduate. When we walk across the stage with our diplomas, we shall be fulfilling

VARSITY BASKETBALL

Although the Wildcats practiced long and hard, they were unable to obtain a winning season. They started off well by being victorious over both Bluffton and Lafayette but then lost to Perry by only three points and remained in the losing column for the next four games. Winning over Beaverdam, they regained team spirit and drive but were still unable to remain in the winner's circle. The regular season ended with a record of three wins and twelve losses.

In the Allen County tournament, held at Bluffton College, Jefferson defeated Bluffton high School in a thrilling contest, 43-41. The following week, the Cats lost to Perry 57-41, thus completely ending their 1962 season.

The Wildcots played twelve games and won four of them. Although the year may not have been successful in the number of wins and losses, the boys played well and gained much experience.

To become a member of the National Honor Society is the highest academic honor which can be given to a student in high school, for only students who are outstanding in scholarship, leadership, character, and service can be included in this society.

Each year the National Honor Society, which was organized here in 1943, holds an impressive candlelight service to induct those students who have the necessary qualifications. The Society's main function is to operate the cloak room at basketball games.

RE-ECHO . . . The Students Speak . . .

The Re-Echo, under the excellent faculty guidance of Miss Benning, entered another phase of publishing school news this year. In addition to distributing a monthly school paper, a biweekly issue of the Re-Echo was printed in *The Delphos Herald*. Due to this new task, reporters were needed not only from the Junior and Sophomore classes, but also from the Eighth Grade, Freshman, and Senior classes. The editors, Jack Koch and Jack Rozelle, along with the reporters, artists, business managers, and typists did a fine job representing Jefferson in printed form.

The members of the Girls' Athletic Association, under the direction of Mrs. Strayer, shared many enjoyable moments this past year. Soon the active members were busy earning points toward their letters by participating in volleyball, basketball, and baseball intramurals, practicing bowling, and selling popcorn to the basketball fans. The main social event of the year was the annual G.A.A. Athletic Banquet, at which occasion all the athletes of D.H.S. were honored. Deeds of the Soil...

"I believe in the future of farming, with a faith born not of words but of deeds."

This statement, taken from the opening paragraph of the Future Farmers of America, expresses the main purpose of this organization. By practical experience, the F.F.A. teaches its members leadership, respect, and kindness, in addition to, efficient farm management, bargaining procedures, care and use of farm machinery, and the essential factors of farm life.

The members of the F.F.A. can be proud of their many achievements. Among these are their annual pancake and sausage supper and chicken barbecue which is always a great success, and their participation in state contests such as public speaking, parliamentary procedure, farm shop safety, land judging, and poultry, meat, and general livestock judging.

"D" CLUB...Dedication... Determination...Drive...

The varsity "D" Club which is under the direction of Mr. Koch is a club for all boys who earned the Varsity "D" by excelling in some sport at D.H.S. Good sportsmanship and service to the school are two of the important purposes for the "D" Club. Ads for football programs, concessions, carnations for Mom's night, trips to an Ohio State football game, and holding dances are just some of the activities of the lettermen's club.

JEFFERSON "WILDCAT" MARCHING BAND

BAND....*Superior Sounds*

Stepping high through fair and foul weather, the Wildcat marching band completed another successful season of parades and pre-game and half-time shows. Soon after the football season ended, concert band got under way. April 28th, our band traveled to state contest, which was held at Ohio Northern University, and brought home a Superior rating. The annual Spring Concert on May 11th, was another outstanding success. The band gives credit for such a successful year to our fine band director, Mr. Zoll.

Junior Class Presents "No More Homework"

Almost every high school student has dreamed—at one time or another—of being principal for a day. "No More Homework" is the story of what happens when force of circumstances propels three high school students into the roles of principal, vice-principal, and school secretary in a typical high school. When Pamela Jones was elected student council president, she never dreamed that she would have to make the thousand and one decisions required of a high school principal. Should she abolish homework? Should she stand behind an unpopular teacher? Should she keep the school's star athlete out of the state basketball tournament for disciplinary reasons? These are only a few of the headaches that confront Pam and her boyfriend, "Buzz" Bailey, who unexpectedly finds himself doubling as vice-principal and "home ec" teacher. Romance also kicks up its heels in the play. Who would have ever guessed that Miss Goodin carried a torch for Mr. Harper? Who would have imagined that "Tick" Tok, the janitor, would eventually dominate Mrs. Ratchet, the demon scrub lady? All these things—and more—keep Pamela Jones in a whirl. But somehow situations manage to right themselves and Pam and "Buzz" along with the rest of the school, return to normal.

“Cheaper by the Dozen”

The seniors were filled with curiosity when Miss Meyers announced that she had chosen “Cheaper by the Dozen” for the class play. Playbooks were distributed in March and a cast was soon chosen. Rehearsals began in earnest during April, and after the first week the seniors began to discover the practices involved work as well as fun.

The play centers around the difficulties Mr. Gilbreth encounters as he tries to run his large family in an efficient manner. Mr. Gilbreth’s chief desires are to have his children finish their schooling in record time, and to have his daughters remain aloof to the frivolity of the present generation of flaming youth. Anne, as the oldest daughter, attempts to shed her cotton stockings and endeavors to be like her fellow students. Eventually the Gilbreth daughters do manage to bob their hair, shorten their skirts, and wear silk stockings. However, Dad still is able to run the “democratic family council.” Consequently, the girls not only dress and act a little like the other children of their generation, but also carry out all their duties on the home front with efficiency and organization still the key words.

HER MAJESTY TOMA STETLER

Beauty! Victory! Both in Abundance!

Much to the disappointment of the Homecoming Court, Friday, October 13, dawned rainy and drear. Fortunately, by evening the weather was cold and clear for the pre-game ceremonies. Miss Toma Stetler, attended by Misses Linda Brenneman and Becky Kissell, were driven around the field in shining convertibles. The Queen and her court were then escorted to their throne by three members of the football team, Captain Ed Porter and Co-Captains Gordon Peltier and Jim Dorman. After a victorious game, a dance was held in the gaily decorated music room where Captain Ed Porter crowned Toma "Queen of the Homecoming for 1962."

The crowning ceremony: Honorary Captain Ed Porter, Her Majesty Toma Stetler.

The Royal Court, l. to r.: Linda Brenneman, Queen Toma Stetler, Becky Kissell.

SENIOR DAY—A Look Into the Future

Thursday, May 17, ended high school days for the graduates of 1962. The entire class took part in their Senior Day program which was entitled "Yesterday, Today, and Tomorrow." With nostalgia they recalled events from past years, and with anticipation they predicted the future. Memories returned as scenes from their Junior and Senior Class Plays were acted out and as the girls' ensemble sang "The Sound of Music."

The seniors then zoomed by rocket into the future and caught a glimpse of the vacations and careers of their classmates. They finally returned to Earth and the present as Mr. Christy climaxed the assembly by presenting awards.

Following the program, the Class of 1962 took their final walk through the hallowed halls of D.H.S. and passed through the doors of their alma mater for the last time.

Y-TEEN DANCE

December 9, 1961, marked the date of the annual Y-Teen Dance. The decoration committee worked for days creating the proper atmosphere. The evening finally arrived. The weather was cold and snowy; perfect for the theme, “Fantasy in Frost.” Members and their escorts dreamily glided beneath snowflakes and iridescent icicles. It was truly a night to remember.

HAIL TO OUR HIGH SCHOOL

(Alma Mater)

Hail to our High School,
The school we love so well,
Hail to our High School
Where freedom e'er shall dwell.

School by our honor
Our red and white have won;
Greatest of all schools
Beneath the glowing sun.

Oh, Dear Delphos High School,
The school of Liberty
Red, white, our colors
Are lauding thee today.

Our Dear DHS of whom we sing with pride
Dearest of all schools
Is surely Delphos High.

WILDCAT FIGHT SONG

Wildcats! Hold that, hold that line.
Wildcats! Now's the time, now's the time.
Drive on, strive on, we must raise this score
For our colors as we have before.

Wildcats! Hit 'em high, hit 'em low
We must win this game.
Come on and fight, fight, fight
With all your might.
To win the Wildcats' Victory.
